Newsletter February 2018

Dear Friends of Havant Passion Play,

We started the New Year on rather a sad note, hearing of the death on 5th January 2018 of our dear friend and colleague, Bill Floyd. Bill was a valued member of our HPP family who supported us to the end. It was very moving and humbling to see so many of his HPP friends at his funeral in St John's Church, Rowlands Castle, where we met together with his family and other friends to mourn the loss of a real 'gentleman'. The Service was a time to reflect on Bill's life and the richness he brought to those around him. He will be remembered by us all for his lovely smile, gentle manner and good humour. He is greatly missed and our thoughts and sympathy go to his family at this sad time.

February saw our AGM where after the business meeting there was an opportunity to watch the DVD of 'Jesus in the Park'.

Our focus for 2018 is once again fundraising as we are hoping to produce another Passion Play in August 2019. James Burke-Dunsmore is willing to work with us again so all we need to do is find the resources!

We are looking for fundraising ideas and people to help us put them on. If you think you can help do contact us, either through the website or in person. You can also e-mail jackychong@btinternet.com.

Our 'costume' ladies still meet on a regular basis and their venture for Easter this year is to sew 'A Cross in your Pocket'.

These delightful little crosses are a wonderful Easter gift for anyone. They come in a variety of colours, together with a short prayer and cost just £2 each. Buy them thorough your church or contact Jacky Chong.
